

Hey UA...

Help prepare kids in our community for the business of life.

VOLUNTEER!

WHAT IS JUNIOR ACHIEVEMENT?

Junior Achievement (JA) is the world's largest organization teaching kids in grades K-12 about financial literacy, career readiness, and entrepreneurship. You may be familiar with **JA BizTown** — a program that many central Ohio kids experience in 5th grade? Now we are bringing JA programs into Jones & Hastings, and we need your help to make it happen!

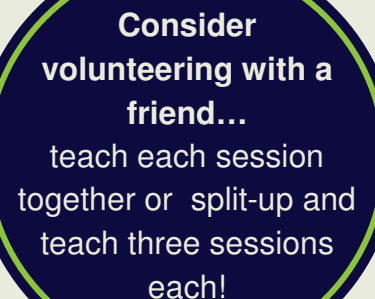

WHAT IS YOUR ROLE?

Partner with a Life Skills teacher to share JA's practical, fun, and engaging curriculum in an 8th grade classroom for **six weekly visits of 45 minutes each**. Share your enthusiasm & life experience with kids in your community. While you may choose to volunteer in your child's classroom, you do not have to have a child in UA schools to participate.

DATES & TIMES?

In Q3, there are (2) spots left at Hastings & (1) spot left at Jones.

Classes will **begin soon after Winter Break and will run once a week for six weeks**. We also have a few volunteer spots left in Q4 (after Spring Break). Once you sign-up, we will connect you with your teacher to find dates/times that work for you.
